Pub. L.A.Q. On No. 4313 (Starred) L.D.4.

S. Kanara Dt.

Schemes sanctioned for 55-56.

Information called for.

A Legislative Assembly question has been received seeking information on the estimated cost of the schemes under L.D.4 sanctioned for S. Kanara Dt. in 1955-56.

The Collector is requested to furnish state the estimated cost of the works and schemes sanctioned for the District for 55-56. If the works are not sanctioned the estimated cost of the works proposed for inclusion for 55-56 should be stated. The cost of works sanctioned already and those proposed for inclusion should be shown separately. An abstract of the cost of works under the different categories of works may also be given in the form annexed.

The Collector is also requested to state if all the works programmed are expected to be completed during 55-56.

Date 20/8/1955. Despatcher's Initials.

PUBLIC (R.D.P.VI) DEPARTMENT.

NOTE FOR SUPPLEMENTARIES.

A grant of Rs.3.1 lakhs was originally distributed to the Dt. of South Kanara under the L.D.W. Programme for 55-56 and was subsequently raised to Rs.5.1 lakhs on a request from the Collector for additional funds. The Collector has included 190 works at a total estimated cost of Rs.8,03,840 under the programme of 55-56, in consultation with the Dt. Planning Board. The particulars of the works, the Central grant, and contribution expected are furnished in Statement I below. ~~Two~~ Out of the 190 works included in the programme, estimates for 5 works involving a ~~cash~~ Central grant of Rs.29,050 have already been sanctioned. The particulars of these works are shown in Statement II below.

2. Apart from the 190 works newly included, the residual works of 54-55 programme involving a grant of Rs.3,57,981 will also be executed in the ~~total~~ District in 55-56. The Collector expects all works programmed to be executed during the year except Rural Water Supply works.

STATEMENT NO.I.

* 2778 *Q.*—SRI M. NARAYANAN NAMBIAR: Will the Hon. the Minister for Agriculture be pleased to state the estimated cost of the schemes under Local Development sanctioned for South Kanara in 1955–56?

THE HON. SRI M. BHAKTAVATSALAM: One hundred and ninety works, involving a total estimated cost of Rs. 8,03,840 have been included under the Local Development Works Programme for 1955–56.

SRI M. NARAYANAN NAMBIAR: Sir, these works are expected to be completed by the 31st of March but the estimates for bridge work and other building works have not been prepared and it may not be possible to complete them by that period. So, will the Government consider the desirability of extending the period till June so that these works can be completed as during the rainy season which lasts for about six months it is not possible to prepare the estimates?

23rd November 1955]

THE HON. SRI M. BHAKTAVATSALAM : There is no question of extending the time-limit. But the hon. Member may see that people take sufficient interest and all efforts are put forth to do as much as possible within the year, and then for the next year sufficient allotment will again be made for completing the works.

SRI Y. MANJAYA SHETTY : Are the Government aware that several works are held up for want of supply of iron departmentally. If so, what steps the Government have taken in the matter?

THE HON. SRI M. BHAKTAVATSALAM : Wherever this matter is brought to the notice of the Government, they pay particular attention to it and see that the need is fulfilled.

SRI K. P. GOPALAN : Are the Government aware that people are not in a position to take so much interest in sending the plans to the Collector and the concerned department as they do not give sufficient publicity to it. This is the case not only in South Kanara but also in Malabar. So, will the Government be pleased to issue instructions that sufficient publicity must be given so that it may help the people to take much interest in these affairs?

THE HON. SRI M. BHAKTAVATSALAM : I do not think that any more publicity is to be done in the matter of publicising the Local Development Works. I can say that it is quite popular and people are taking to it with great zeal and enthusiasm in the various districts and it is for the hon. Member to see that more enthusiasm is generated in Malabar so that the funds that would be available under the Local Development Works may be fully utilized.

SRI M. NARAYANAN NAMBIAR : In the Malnad villages in the Kasaragod taluk, there are no panchayat boards and it is difficult to get 50 per cent contribution from the people. In view of the fact that it is a very backward area in all respects, will the Government consider the desirability of giving 75 per cent contribution to these works by the Government?

THE HON. SRI M. BHAKTAVATSALAM : Except for drinking water-supply works, it is not possible to reduce the contribution under the Local Development Works below 50 per cent?

4792/55

please see the printed proceedings of the answer on pp 3-4 above. No further action is called for. The papers may be recorded as a fo.
